Dear or Madam:

To the best of my knowledge, for the time period covering March 1, 2016 to March 31, 2016 the attached notices, bulletins and communications sent to more than one manufacturer, distributor, dealer, lessor, lessee, owner or purchaser in the United States, regarding any defect in its vehicles or items of equipment whether or not such defect is safety related.

In addition to this, there were no communication to more than one dealer, distributor, lessor, lessee, other manufacturer, owner, or purchaser in the United States, relating to customer satisfaction campaigns, consumer advisory or other safety activity involving repair or replacement of motor vehicles or motor vehicle equipment other than recall 16V050 documents that are attached.

The mailings have been approved by NHTSA and mailings were begun on March 2, 2016. These copies will be included on the March submission and the quarterly report.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas J. Daily", written over a white background.
