**Model Type:** Quattroporte (M139)  
**Model Year:** Up to 2013 (QP)  
**Subject:** Gearshift Paddle Retrofit for Quattroporte

Designed for customers who prefer the thrill of high performance, racing style, shifting, Maserati North America, Inc. is proud to offer the Quattroporte (M139) Gearshift Paddle Retrofit Kit. These gearshift paddle retrofit kits feature an ergonomic design to help assure safety and optimal grip at all times. Located behind the steering wheel, they are optimally positioned for aggressive shifting even on the most winding roads.

To ensure a perfect match to the interior and trim of the vehicle, the kit is available in three different designs. Each kit represents an approximate stock discount of 15% off the pricing for the individual parts.
