MASERATI

Model Type: Ghibli (M157)
Model Year: Up to 2016
Subject: Rear Window Electric Sunshade Retrofit Kit

For Ghibli customers wishing to reduce heat in the vehicle, Maserati North America, Inc. now offers an electronic rear window sunshade retrofit kit for vehicles not originally equipped with one. This new retrofit kit allows customers to obtain a higher level of privacy and comfort.

The electronic sunshade can be operated by the driver using the MTC (Maserati Touch Control) display or by the rear passenger using the switch panel that also controls the rear seat holders (for vehicles equipped with this OPT).

To install the rear sunshade, please ensure that appropriate wiring is available. Please refer to the chart below with a list of required wiring.

If the vehicle is not equipped with the wiring listed, the sunshade kit must not be installed.
