Model Year 2016 Ducati Service Special Tools (CDN)
Models: All Model Year 2016

Service Bulletin SRV-SRB-16-005

Date:	Tuesday, January 26, 2016
To:	Dealer Principal, Service Manager; North American Dealer Network
From:	Richard Kenton, Technical Director; Jonathan LaForte, Technical Manager

Dear Service Manager,

Ducati is pleased to inform you that the latest tools for Model Year 2016 have been released. These tools integrate with previously released tools and they will be part of the minimum standard requirements for Ducati Service.

The Ducati Service Equipment list (Ed.01-2016) has been updated and is now available in the Download Area of the DCS Workshop Manual:

IMPORTANT:

All dealers that signed the auto-shipment agreement will receive the above noted tools. As these are required tools, dealers that did not sign the auto-shipment agreement must order the tools using the part number listed above.

Dealers with parts accounts that are not in good standing will not be auto-shipped the tools. Please place a manual order with Ducati North America via the Credit Hold Order Form.

These tools are designed to support Service activities, as part of Ducati's commitment to making available all necessary tools in order to offer end users top-notch After Sales Service - a key to business success. It should also be noted that failure by a dealer to acquire these critical tools immediately may constitute a breach of their dealer agreement.

We trust these new tools will further enhance the premium level of your Service Department.
