To: ShoreStation & ShoreLand'r Distributors & Sales Reps

The following product improvements have recently been released:

- **ShoreStation**
 - I call your attention to page 18 of the attached Owner's Manual for Boat House & Piling Lifts. A new platform leveling feature has been added to our dual cylinder, tandem pump Hydraulic Boat Lifts. The wired dock switch now has a Level Switch for manually leveling the platform & boat during operation. **SK0360 HYDRAULIC REMOTE SWITCH ASSEMBLY W/ LEVEL SWITCH** is available for retrofitting existing lifts.
- **ShoreLand'r**
 - TA0232 and TA0236 Tritoon Kits have been upgraded to include a bushing spacer kit for the trailer's 3-light cluster. After we made the change to LED lighting there were complaints that the tritoon kit bunks could not be adjusted inward far enough because the 3-LED light interfered. The spacer kit is shown on the last pages of the attached revised manuals. **SK72282 SPACER & BACKING PLATE FOR 3-LIGHT CLUSTER LED** is available for existing tritoon kits.
