Subject: SNET Announcement - Expanded Takata Front Passenger Air Bag Inflator Recall WQR-53 (2005-2008 Legacy and Outback vehicles)
Attachments: @

The following announcement has been posted on Subarunet for all retailers except SNE through 2/18/16 and will display the attached PDF. As a reminder, SNE retailers do not generally use Subarunet for announcements and I am cc'ing SNE folks here and attaching the PDF to distribute to those retailers as appropriate.
