## **GPOP - Issue Review System**

**Part Number:** 04726431A\$

**Part Description:** Wheel Assy - steel

---

**Issue Description:** When servicing a JOURNEY (JC) vehicle with steel wheels (WFU code) with or without a shake or vibration complaint; please review the 4 wheel assemblies in order to detect any witness mark of a missing/misplaced wheel weight. Also please try to remove the weights with hand force only. Please inform Karla De La Rosa Munive (karla.delarosa@fcagroup.com) how many witness marks were seen, and how many weights were able to be removed with force hand, on each wheel assembly.
