

Reference	SSM72864
Models	Range Rover Evoque / L538
Title	L538c Range Rover Evoque Convertible Front Window Opening
Category	Body
Last modified	09-Aug-2016 00:00:00
Symptom	102000 Window/Glass
Attachments	Window drop.pdf (Window drop.pdf)

Content Issue: Customers are reporting that the front windows of the Evoque Convertible do not lower fully. The window remains approximately 25mm above the waist line of the door.
Please view the attached image for clarity.

Cause: This is manufacturing design intent (MDI) in order to accomdate vehicle structure.

Action: The Owner's manual will be updated to reflect this.
