Subject	17-020 Product Update: MDX Accessory Temporary Spare Tire Kit						

Today, April 28, 2017, Acura is announcing a product update for all 2017 MDX vehicles to address a possible incorrect accessory sold to the customer that does not fit the vehicle. **A dealer with any new or used units in dealer stock must repair all affected unrepaired units per service bulletin, 17-020 Product Update: MDX Accessory Temporary Spare Tire Kit, prior to sale.** Refer to VIN inquiry to determine which new or used units in your inventory are affected. Acura expects to begin customer mail notification in late May 2017.

Basic Concern

This campaign involves the dealer installed optional accessory temporary spare tire kits for the 2017 MDX (2WD only).

The three accessory temporary spare tire kits (P/N 06421-TZ5-A00, P/N 06421-TZ5-A50, and P/N 06421-TZ5-A60) included a wheel that does not fit the 2017 MDX and must be replaced. Additionally, the MDX base accessory temporary spare tire kit (P/N 06421-TZ5-A00) included an incorrect wrench that must also be replaced.

NOTE: All 2017 MDX accessory temporary spare tire kits use a 17-inch wheel even though the wheel on the vehicle may be 18- or 20-inch, depending on the trim.

Campaign Information

Service bulletin 17-020, is available/posted to the Service Information System as of April 28, 2017, and includes warranty, parts, and repair information related to the recall campaign.

Parts

Parts available at launch of campaign.

Tools

Tire changer machine needed. No other special tools or special shop equipment necessary to perform this repair.

Repair/Service Bulletin

Inspect the vehicle to see if it is equipped with a temporary spare tire. If it is, replace the spare wheel and also check that the correct wheel wrench is installed. Details provided in Service Bulletin **17-020 Product Update: MDX Accessory Temporary Spare Tire Kit** that posted to Service Information System (SIS) as of today April 28, 2017.

Warranty

Detailed information on warranty and repair is available in service bulletin 17-020.

As always, please make sure to check iN VIN Status to determine if a particular vehicle is eligible for these or any other campaigns.
