Background

American Honda (AHM) is investigating certain 2017 CR-Vs with a customer complaint of the washer tank leaking. To fully understand the cause of this condition, AHM would like to inspect the vehicle prior to you attempting a repair of any kind.

Qualifiers

AHM is interested ONLY if the vehicle meets the following requirements:

- 1. Must confirm washer tank leak.
- 2. Vehicle has not been involved in any collision
- 3. First time complaint only.
- 4. No repair has been attempted for this issue.

Action Required

If you have or know of such a vehicle, please call the Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
