This notice applies to your vehicle:

RE: 2015 Odyssey

Dear

**What is the reason for this notice?**

Our records indicate that a PRODUCT UPDATE has not been completed on this vehicle; refer to the address card for the affected VIN. On some 2015 Odyssey vehicles, the trailer hitch weight was not properly calculated into the gross axle weight rating (GAWR) on the vehicle certification label. This can create a situation where the vehicle exceeds the indicated gross axle weight rating.

**What will Honda do?**

Please contact any authorized Honda dealer for an appointment to have the dealer apply a certification correction sticker and replace the Owner's CD and Owner's Guide. Please remember to bring in your original Owner's CD and Guide, if available, so they can be recycled. This work will be done *free of charge*.

**If you have questions**

If you have any questions about this notice, or you need assistance locating a dealer, contact Honda Automobile Customer Service at 1-888-234-2138. You may also find this information at [www.Hondacars.com](http://www.Hondacars.com).

We apologize for any inconvenience this product update may cause you.

Sincerely,

**American Honda Motor Co., Inc.**
