2014-2017 ROGUE; BLOWER MOTOR SERVICE INFORMATION

APPLIED VEHICLE: 2014-2017 Rogue (T32)

SERVICE INFORMATION

When diagnosing the operation of the heating and cooling system's blower motor, make sure there is no interference from other personal devices before replacing any parts or performing any repairs.

All personal devices (12V charger, USB charger, PC charger, etc.) must be unplugged/removed from the vehicle when diagnosing/verifying the customer issue related to blower motor operation.

Examples of personal devices

Nissan Bulletins are intended for use by qualified technicians, not 'do-it-yourselfers'. Qualified technicians are properly trained individuals who have the equipment, tools, safety instruction, and know-how to do a job properly and safely. **NOTE:** If you believe that a described condition may apply to a particular vehicle, DO NOT assume that it does. See your Nissan dealer to determine if this applies to your vehicle.
