******* Parts Update*******

Campaign Bulletin NTB16-0120 has been revised to address a part change (in the event that parts are needed) and is now available on NNAnet, ASIST & Dealer360.

- Valve Body Kit (3170E29X9C) will now include the Control Valve Assembly, Automatic Transmission Oil Strainer Assembly, Bracket, Band, Oil Pan Gasket, and Lip Seal.
- The control valve assembly is only available in kit form, but the oil strainer assembly, bracket, band, oil pan gasket and lip seal will remain available for purchase separately.

The previously announced restriction on remanufactured CVT assemblies will be lifted on **March 24, 2017**. Parts will be available for order via normal process after that date. Orders placed via DCS prior to that date will be filled.
