ATN: Service Managers

Please see the attached procedure for the field modification regarding certain converter dollies.

If you are receiving this email, that means we have shipped your location a certain quantity of field modification kits. Please refer to the attached distribution list to see how many kits, and corresponding parts you should expect to receive.

The field modification kit has been shipped in three separate packages:

- 1) Part # 40400848 is shipped from Hutchens Industries directly.
- 2) Part # 42200930 is shipped from the Savannah office.
- 3) Remaining parts are shipped from the Great Dane Kewanee plant.

If you have any questions please contact me or James Brown.

Thank you.
