Attention: Triton Distributors

This bulletin is to update and clarify the current policy to address the paint peel issue for .024 and .030 skins used on Cap's and TC units for date of manufacture during 2011. All prior years that experienced paint peeling is no longer covered by this warranty program.

NOTE: With the start of calendar year 2018 this program will no longer be available.

All claims are to be submitted using Tritons warranty claims process and must be pre-approved before any action has taken place. Additionally, all warranty applies only to the original owner and the TC or Cap must have been warranty registered. Included requirements are 1. Photos of the paint peel from all four sides. 2. A close up picture of the VIN tag. 3. All retail and dealer information.

All units that have already been issued claims as 1-1-2017 will not be affected by this update.

CAP UNITS

2011 - \$200.00 credit towards a replacement unit or materials.
Any units built 2010 or earlier do not qualify towards any warranty.

TC UNITS

2011 - \$200.00 credit towards replacement materials.
Any units built 2010 or earlier do not qualify towards any warranty.
