

Ducati Corse and Ducati Performance Racing Exhaust Kits or Systems/ Parts Aftersales Bulletin AS-17-025

Date: Friday July 14, 2017
To: Dealer Principal, General Manager, Parts Manager, Service Manager, Apparel Manager,
Ducati Dealer Network
From: George Colvin, Aftersales Manager

Dear Dealer,

Under the law, certain parts for "Racing vehicles" used on a "closed competition course" may only be sold under certain circumstances.

The attached acknowledgement and Disclaimer, Waiver and Release document was created, in part, to ensure that Ducati dealers and customers are aware of and comply with the legal requirements connected to the sale of those parts.

Included with this bulletin you will find a Disclaimer, Waiver and Release document that you are required to use for every sale of Ducati Corse or Ducati Performance Racing Exhaust Kit or System and/or part/s that are noted specifically by Ducati in its catalogs for "racing only".

This document should be completed and signed, at the time of purchase, by the customer purchasing any Ducati "racing only" components from your dealership. The dealership will also be required fill-in the dealership's information (Dealer Name, Dealer Code, and Dealer Representative) as indicated on the form. Then submit a You Tech with a scanned copy of the form with the following:

- Photographic proof of the trailering of the motorcycle to and from the dealer; and
- Photographic proof that on-road features of the motorcycle have been deactivated, particularly the headlight, turn signal and brake light.

Completed Disclaimer, Waiver and Release documents should be kept on file at your dealership along with the corresponding parts invoice/receipt indicating all "racing only" components purchased by the customer for a minimum of five (5) years.

If you have any questions please contact Aftersales Manager George Colvin (George.colvin@ducati.com) / 408 343 4425), or Technical Director Richard Kenton (Richard.Kenton@Ducati.com) / 408 506 5719).
