Background

American Honda (AHM) is investigating certain 2017 Civics with a customer complaint of the A/C not working or not cooling enough. To fully understand the cause of this condition, AHM would like to inspect the vehicle prior to you attempting a repair of any kind.

Qualifiers

AHM is interested ONLY if the vehicle meets the following requirements:

1. VIN must start with 19X.
2. Vehicle must be within 90 days from the sales date.
3. Must be able to duplicate the issue.
4. No repair has been attempted for this issue.

Action Required

If you have or know of such a vehicle, please call the Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
