SUBJECT: Update Service Campaign T1D – Elantra 2.0L ECM Update (TSB# 17-01-049)

Hyundai Motor America has added retailed vehicles to Service Campaign T1D. This Service Campaign provides a service procedure to update the ECM on certain 2017 Model Year Elantra with 2.0L MPI engines.

In order to identify only those vehicles affected by Service Campaign T1D, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the repair. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Service Campaign T1D.

A listing of VEHICLES is also located on **WEBDCS, SERVICE** tab, select **INFORMATION**, and select **UNCOMPLETED CAMPAIGN VIN LISTING – Dealer Stock & Retailed**

TSB #17-01-049 is available on Hyundai's Website as of June 15, 2017. It contains instructions on performing the service and submitting the campaign claim.

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.

LEGAL LIABILITY NOTICE: You are required to keep confidential any and all information and documents provided to you by Hyundai Motor America in the conduct of carrying out work for this service campaign. Hyundai Motor America dealers may use owner information provided for the campaign only for the purpose of conducting and performing this service campaign, and for no other purpose.

Hyundai appreciates your cooperation and support. Questions may be directed to your District Parts and Service Manager or Warranty HELPREP line at 1-877-446-2922.
