
2017 Fit Rear Suspension Noise

Background

American Honda Motor Co., Inc. (AHM) is investigating certain 2017 Fits with a customer complaint of a noise coming from the rear suspension. The noise can be described as knocking or rattling. To fully understand the cause of this condition, AHM would like to collect specific parts from the vehicle prior to you attempting a repair of any kind.

Qualifiers

AHM is interested **ONLY** if the vehicle meets the following requirements:

1. First time complaint only.
2. Must be able to duplicate the knocking or rattling noise from the rear suspension.
3. Must confirm that the right or left bushing on the damper assembly has come of or is missing
4. No repair has been attempted for this issue.

Action Required

If you have or know of such a vehicle, please call Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
