**Background**

American Honda Motor Co., Inc. (AHM) is investigating certain 2017 Accords with a customer complaint of the A/C not working. To fully understand the cause of this condition, AHM would like to inspect the vehicle prior to you attempting a repair of any kind.

**Qualifiers**

AHM is interested ONLY if the vehicle meets the following requirement:

1. Manufactured data on the certification label on the driver's doorjamb is 01/2017 or after.
2. First time complaint only.
3. Vehicle has not been involved in any collision.
4. No repair has been attempted for this issue.
5. Prior to calling TRS, please check the refrigerant level.

**Action Required**

If you have or know of such a vehicle, please call the Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
