Information to the field

As a result of continuous product monitoring, Auto-mobili Lamborghini Spa introduced new fuel stickers specifying the recommended minimum octane number expressed in RON (Research Octane Number) or AKI (Anti-Knock Index) for the gasoline to be used for refueling.

Field solution

The instruction herein detailed describes three procedures:

- B, sticker application

Spare parts.

Order the following part number which are connected to the operation required.

P/N	Description	Q
4T0010532D	Gasoline sticker 	1
400010377T	Unleaded gasoline sticker 	1

Replaced parts management.

Store properly and tagged the parts replaced with bar code form for their identification during Area Manager visits.

Labour time

- Operation B : **0,3** hours;

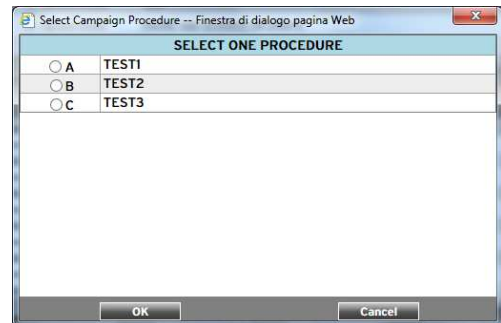

Substituted former Bulletins.

none.

Warranty Claim instructions

To claim the reimbursement log into the warranty system management on the Lamborghini Portal and consults the manual "W.Claim " available on the portal for the download .

Select the desired campaign and go on with the claim insertion, read carefully the windows message content and choose the option button corresponding to the operation performed .
