Subject: New Software for DEIS Diagnostic System

As part of our policy of product improvement, the new software described above is now available.

- IMPORTANT -

Due to its size and the large amount of new content introduced, this software update will be rolled out progressively.

		New version
Module 0	Portal and Troubleshooting	47
Module 1	DEIS Diagnostic software	74
Module 2	Technical Documentation	12
Module 3	Tools	7

This update is approximately 549 MB in size.

Ferrari North America

- IMPORTANT -

To speed up the diagnostic process, it is recommended that the DEIS tester is left on throughout the working day.

Module 0

No update.

Module 1

The changes over the previous version are listed as follows.
