Background

American Honda Motor Co., Inc. (AHM) is investigating certain 2018 Odysseys with a customer complaint of the rear brake judder. To fully understand the cause of this condition, AHM would like to collect specific parts from the vehicle prior to you attempting a repair of any kind.

Qualifiers

AHM is interested ONLY if the vehicle meets the following requirements:

1. Must be able to duplicate the rear brake judder.
2. No previous repair relating to the rear brakes.

Action Required

If you have or know of such a vehicle, please call the Technical Research & Support (TRS) Group at 800-880-1072. TRS will need to record certain vehicle information and provide you with further instructions.

Thank you.
