IMPORTANT SAFETY RECALL

This notice applies to your vehicle VIN. # _____

Date: February 29, 2016

Motor Vehicle Recall Notification - Recall Campaign No. 16V 041

Second Notice

Dear Valued Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

REASON FOR THIS RECALL

Newmar Corporation has decided that a defect which relates to motor vehicle safety exists in specific motor homes.

In response to notification from Freightliner Custom Chassis Corporation, an incorrect front tire inflation level is shown on the 'Incomplete vehicle label' provided by Freightliner Custom Chassis. The incomplete vehicle label provided by Freightliner for these specific motorhomes shows front tire max pressure as 130 psi while the front tire is only rated for max pressure of 120 psi. The tire pressure is correct on Newmar's 'final stage manufacturer label' on these same motorhomes which correctly shows a max of 120 psi for these tires. Inflation of tire past the manufactures maximum pressure rating could increase the risk of a crash causing injury and/or damage to property. Correction: Freightliner will send Newmar a new label with the correct 120 psi rating for the tires. Newmar will mail the correct label to the customer.

These motor homes require immediate service. Continued use poses a potential safety hazard.

The Safety Risk

Inflation of tire past the manufactures maximum pressure rating could increase the risk of a crash causing injury and/or damage to property. Correction: Freightliner will send Newmar a new label with the correct psi rating for the tires. Newmar will mail the correct label to the customer.

WHAT WE WILL DO

Newmar Corporation will be conducting this recall in its entirety. Freightliner will correct the label to show 120 psi rating. Newmar will mail the correct label to customers.

WHAT YOU NEED TO DO

Newmar will mail out labels with the correct tire rating to be installed by the customer. If you should have any questions please contact the Newmar service department at: 1-866-290-5371 and a Newmar associate will provide you with any assistance you may need applying the label.

Federal regulations require that any vehicle lessor receiving this recall notification must forward a copy of this notice to the lessee within ten days.

If you have had the repair performed before receiving this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy. For additional information contact Newmar Corporation at:

Service Department
Newmar Corporation
355 N Delaware St
Nappanee, IN 46550-0030

Authorized Chassis Service Facility, are best equipped to obtain parts and provide service to ensure your vehicle is corrected as promptly as possible. HOWEVER, if you take your vehicle to your Authorized Chassis Service Facility on the scheduled date and this condition is not remedied on that date or within five days; please contact the Newmar Corporation Customer Service Department at 1-800-731-8300. You may also submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., SE., Washington DC 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.
