

PRODUCT ANNOUNCEMENT

CONNEX™ Unitized Suspension & Axle System

LIT NO: P46008

DATE: August 2017

Hendrickson Trailer Commercial Vehicle Systems is pleased to announce the launch of CONNEX™ unitized air suspension/axle system available for order September 2017. Created from Hendrickson's durable HT™ SERIES suspension and trusted TRLAXLE® trailer axle, CONNEX delivers a fully assembled suspension/axle system that saves OEMs time and resources and helps streamline assembly processes.

Currently, the CONNEX unitized suspension system is available for low-ride height applications with a 12.25" brake package and is available with both weld-on and bolt-on frame brackets. See chart below for a list of available options.

CONNEX SPECIFICATIONS	
Model	CXU
Suspension/Axle Rating	23K or 25K
Ride Heights	5.5" & 6.5"
Axle Tracks (Beam Center)	71.5" or 77.5"
Brakes	12.25" Drum
Spindles	HN or HP
Frame Attachment	Weld-on or Bolt-on
Axle/Beam Coating	Black Primer or Soft Coat
Component Coating	Black Primer or Galvanizing
Wheel-end Options	HXL3® or HXL5® Only
Tire Inflation	TIREMAAX® CP or PRO
S-Cam Options	Cams Forward or Rear

Hendrickson backs the CONNEX unitized suspension system with a limited 5-year axle/beam weldment warranty and is standard with RTR® READY-TO-ROLL® wheel-end package, HXL5®. This 5-year wheel-end features Hendrickson's exclusive hubcap-to-hubcap warranty coverage providing peace of mind from a recognized leader in the industry.

CONNEX is also available with TIREMAAX® PRO and CP tire inflation systems to help extend tire life and increase fuel efficiency. TIREMAAX wheel-end components are also covered under a limited 5-year warranty when paired with the HXL5® wheel-end package. Refer to L583 Comprehensive Warranty Statement for complete details.

To receive a model number and availability for a CONNEX unitized air suspension and axle system, please submit L1274 CONNEX Ordering Guide to your customer service representative. As always, Hendrickson is committed to supplying innovative products that enhance the value, serviceability and lifespan of your vehicles.
