## TECHNICAL SERVICE BULLETIN

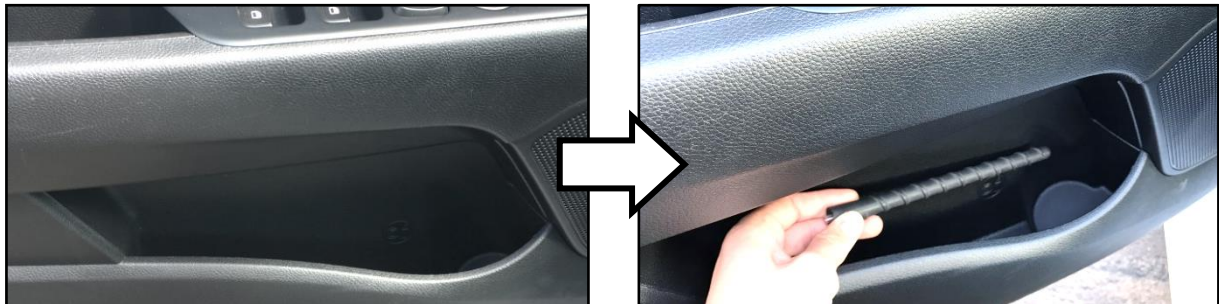

SUBJECT: ANTENNA POLE LOCATION DURING TRANSPORT

### \* NOTICE

**PAY CLOSE ATTENTION DURING TRANSPORTATION  
DROP-OFF/VEHICLE INSPECTION SIGN-OFF!**

This bulletin provides information regarding the shipping location of the antenna pole in all 2018MY Forte (YDm) 5 Door SX and all 2018MY Rio (SC) vehicles at delivery to dealers and Transportation claims related to the antenna pole. These vehicles, produced at Kia Motors Mexico (KMM) and equipped with an antenna pole, will be transported and delivered with the antenna pole stored in the driver's door panel storage. This is done in order to avoid damage during transportation.

Please ensure the presence of the antenna pole before signing off for the delivery of any affected vehicle. If the antenna is noted as missing during vehicle delivery sign-off, submit a Transportation claim. Missing antenna poles are not covered under Warranty.
