Replacement Certification Label and VIN Plate Criteria

A replacement certification label and/or VIN plate may be requested if:

- The vehicle was in an accident and the label and/or plate is damaged or attached to a part that will be replaced during the repair.
- The label and/or plate was stolen.

NOTE

- Vehicles with body damage require the original label and/or plate as well as a picture of another VIN on the vehicle.
- Vehicles that were stolen **MUST** be reviewed by a field technical specialist. These vehicles **MUST** be accompanied by a police report and pictures of the VIN on the following: frame/body stamp, anti-theft labels, and Techstream Health Check.
- **ALL** replacement certification regulation labels and VIN plates for damaged and/or stolen vehicles are subject to approval by Toyota Technical Compliance. Contact Quality_Compliance@toyota.com for more information.

Replacement Certification Labels and VIN Plates

Procurement Procedure

- To request a replacement label, complete the applicable form at the end of this bulletin, attach the original label or plate as shown, and mail the form to the address provided.
