FL Disc Screw U.S .xlsx

FL Disc Screw U.S .xlsx  
18 KB

Attached is a call script for an effort we're requesting.

There's about 35 VINs involved and about 31 U.S. dealers. The issue is potentially, two of the five rear disc mounting screws may be under-torqued. Please request that the dealer responds once the inspection has been performed to let us know the results, and that it's been corrected if necessary.

Thanks  
RR
