Subject: Service Campaign T2L - 2017-18 Santa Fe & Santa Fe Sport
Console Upper Cover 'PRND' Indicator Replacement (TSB# 17-01-062)

Hyundai Motor America is conducting a Service Campaign to replace the gear indicator lens cover on certain 2017-18 model years Santa Fe and Santa Fe Sport vehicles. Service Campaign T2L provides a service procedure to replace the gear indicator lens cover.

In order to identify only those vehicles affected by Service Campaign T2L, it will be necessary to access Hyundai Motor America's "Warranty Vehicle Information" screen via WEBDCS before starting the repair. The "Warranty Vehicle Information" screen will identify affected vehicles with an open Service Campaign T2L.

A listing of VEHICLES is also located on WEBDCS, SERVICE tab, select INFORMATION, and select UNCOMPLETED CAMPAIGN VIN LISTING - Dealer Stock and Retailed.

TSB #17-01-062 is available on Hyundai's Website as of November 02, 2017. It contains instructions on performing the service and submitting the campaign claim.

An initial shipment of gear indicator lens covers began shipping on November 1st to certain affected dealers. Additional parts can be ordered from your Facing PDC. Shift indicator covers will be placed on "Campaign Parts Management" (CPM).

It is IMPORTANT TO SUBMIT A CAMPAIGN CLAIM FOR EACH VEHICLE SERVICED so your dealership can be compensated for your work and Hyundai can maintain accurate records of campaign completions.
