December 2017

Product Update: 2018 Odyssey Rear Power Window Switches

This notice applies to your vehicle:

Dear

On your 2018 Odyssey, the rear window switch has an internal issue, which may make the window switch inoperable.

What will Honda do?

Contact any authorized Honda dealer for an appointment to have your vehicle's rear window switches replaced. This work will be done **for FREE**. Please plan to leave your vehicle at the dealer for at least a half a day to allow them flexibility in scheduling.

Lessor Information

Please forward a copy of this notice to the lessee.

What to do if you feel this notice is in error

Our records show that you are the current owner or lessee of a 2018 Odyssey involved in this product update. If this is not the case, or the name/address information is not correct, please fill out and return the enclosed, postage-paid Information Change Card. We will then update our records.

If you have questions.

If you have any questions about this notice, or need assistance with locating an Honda dealer, please call American Honda Customer Support & Campaign Center at 1-888-234-2138. U.S. clients can also locate a dealer online at www.owners.honda.com. Clients in U.S. territories, please contact your local dealer/distributor.

We apologize for any inconvenience this campaign may cause you.

Sincerely,

American Honda Motor Co., Inc.
