DATE: November 10, 2017
TO: Mitsubishi Motors US & Puerto Rico Dealer Service and Parts Managers
RE: Accessory Black Wheel Lugs and Lock Exhibiting White Paint Marks
TIN NO. TIN-17-31-002

AFFECTED VEHICLES: 2018 Models Equipped with Accessory Black wheel lugs and lock (shown in photo below) – Eclipse Cross, Outlander Limited Edition, Outlander Sport Limited Edition, Outlander PHEV

PURPOSE

A white torque check paint mark is added onto each black wheel lug and lock after it has been properly torqued to specification.

When taking receipt of vehicles equipped with black wheel lugs and lock, please immediately clean off all white paint marks using a wash cloth.
