SUBJECT: FL757 – Interim Recall Notice

This letter is to inform you that an interim recall notice is being issued for recall FL757, ICU3S Instrument Cluster Hydraulic Brake Telltale. It will mail before the end of the year. FL757 affects Canadian vehicles.

A copy follows for your reference.

This notice is for your information only. There is no action for customers or dealers to take at this time. If customers inquire, please let them know the recall will begin when all preparations are complete.

If you have questions or need further information, contact the Warranty Campaigns Department by submitting an inquiry through the WSC Link on DTNAConnect.

The information contained in this letter supercedes and supplements any related policies and procedures in any previously released bulletins, the Warranty Manual, and/or previously released letters. Failure to read or distribute this letter will not exempt addressees from compliance with the information contained herein.
