Tiffin Dealers:

Tiffin has recently been made aware that certain Kidde fire extinguishers are being recalled. Even though we are in the preliminary stage of the recall, we do know these fire extinguishers are in Tiffin coaches that are on your lots. Kidde is currently providing a number to call to have a replacement unit sent to you free of charge. The number is 800-631-7377. You will need to have the fire extinguisher in your possession due to they will need specific information contained on fire extinguisher. Tiffin is also asking that you make copies of the enclosed form and fill it out for each unit, to let us know you called and received a replacement extinguisher. DO NOT sell a unit without the extinguisher being changed out. If there is not enough time to get the extinguisher from Kidde, please call Jenny Madden at 256-356-8661 x. 2176 and we will take action so that the sale is not lost.

President, Tiffin Motorhomes, Inc.
