IMPORTANT PRODUCT UPGRADE INFORMATION #170906REV
Issued December 2017

Dear Valued American Coach Motorhome Owner:

REV Recreation Group, Inc., on behalf of its manufacturing center located in Decatur, IN, is contacting the owners of certain model year 2016-2018 American Coach brand American Dream, American Eagle, and American Revolution, Class A motorhomes manufactured between February 5, 2016 and April 27, 2017.

This notice is sent to inform you of important product upgrade information concerning **your** motorhome.

Why is the product upgrade being offered?

On certain motorhomes affected by this Upgrade Bulletin, SAE Grade 5 or 8 bolts should have been used to attach the Power Gear leveling jacks to the jack brackets. If SAE Grade 5 or Grade 8 bolts were not used to install the leveling jacks, the mounting bolts will need to be replaced.

How can you take advantage of this product upgrade?

It is very important that this concern is addressed immediately. Please contact an **authorized REV Recreation Group servicing dealer** to schedule this service.

The upgrade is offered free of charge to owners of vehicles still within their base warranty period, or through December 10, 2018 (whichever date is later).

The upgrade procedure is expected to require approximately 1-2 hours. Your dealer may require additional time due to service scheduling.

For online assistance locating an authorized American Coach servicing dealer, you may visit: **<http://www.americancoach.com/dealers>**.

Or call American Coach Owner Relations toll-free at: **(800) 435-7345**

When your motorhome is serviced, your dealer will complete a Repair Order. Upon completion of the upgrade procedure, please sign the dealership's Internal Repair Order.

If you have changed your address or sold the motorhome, please take a moment to provide the name and address of the person or dealership you sold it to on the enclosed, postage-paid Vehicle/Owner Information Update Card and return it to

REV Recreation Group. This will allow us to update our records, and if necessary, notify the new owner using the information you provide.
