Please disregard the message below. The supplier has determined there was an error in the inspection process and the door panels listed below meet SIA's specifications. All Parts Claims have been cancelled. We apologize for any inconvenience caused.

Due to a production issue with part numbers: 60009AJ00B9P, 01B9P, 02B9P, & 03B9P retailers are required to scrap their on-hand inventory on site. These *will not* be returned to the RDCs. All claims were entered for the retailers based on their PartsEye inventory. They *do require* a DPSPM approval. Replacement inventory should be available in 1-2 weeks. Please contact your RDC Admin or the PICs with any discrepancies in the claim quantity.
