Certain 2010 - 2013 Model Year GX 460 Vehicles
Extension of Warranty Coverage for Air Injection Pumps and Air Switching Valves

In our continuing efforts to ensure the best in customer satisfaction, Lexus is announcing a Warranty Enhancement Program to extend the warranty coverage for Air Injection Pumps and Air Switching Valves on Certain 2010 - 2013 Model Year GX 460 vehicles.

Background

Lexus has received reports of customer concerns regarding the illumination of the check engine light (Malfunction Indicator Light) due to moisture/water in the Air Injection Pumps and/or Air Switching Valves.

Although the Air Injection Pumps and Air Switching Valves are covered by Lexus' New Vehicle Limited Basic Warranty* for 4 years or 50,000 miles (whichever comes first) and by the California Emission Warranty* for 7 years or 70,000 miles (whichever comes first), we at Lexus care about the customers' ownership experience. Lexus is now extending the warranty coverage for repairs related to illumination of the check engine light (Malfunction Indicator Light) due to moisture/water in the Air Injection Pumps and/or Air Switching Valves.

The following information is provided to inform you and your staff of the program notification schedule and your degree of involvement.

Warranty Enhancement Program Details

This Warranty Enhancement Program provides enhanced coverage to the vehicle's "New Vehicle Limited Basic Warranty" as it applies to the Air Injection Pumps and Air Switching Valves. The specific condition covered by this program is illumination of the check engine light (Malfunction Indicator Light) due to moisture/water in the Air Injection Pumps and/or Air Switching Valves. If the condition is verified, the vehicle will be repaired with new Air Injection Pumps and Air Switching Valves under the terms of this Warranty Enhancement Program*.

- This Warranty Enhancement Program offers coverage for ***10 Years from the Date of First Use or 150,000 miles, whichever occurs first.***

**This coverage is for warranty work performed at an authorized Lexus dealer only. It is subject to the same terms and conditions set forth in the New Vehicle Limited Warranty Section of the Owner's Warranty Information booklet. For example, damage from abuse, an accident, theft and/or vandalism is not covered by the New Vehicle Limited Warranty or this warranty enhancement.*

Number and Identification of Covered Vehicles

There are approximately 48,000 Vehicles covered by this Warranty Enhancement Program. There are 279 vehicles distributed to Puerto Rico covered by this Warranty Enhancement Program.

Please refer to Warranty Policy Bulletin (Bulletin No. POL17-01) for identification of vehicles covered by this Warranty Enhancement.

Model Name	Model Year	Production Period
GX 460	Certain 2010 - 2013	Late July 2009 through late August 2013

Owner Letter Mailing Date

Lexus will begin to notify owners in late February, 2017 and will be mailed over several months. A sample of the owner notification letter has been included for your reference.

Technician Training Requirements

The repair quality of covered vehicles is extremely important to Lexus. All dealership technicians performing this repair are required to successfully complete the most current version of the E-Learning course "Safety Recall and Service Campaign Essentials". To ensure that all vehicles have the repair performed correctly; technicians performing this repair are required to currently hold at least one of the following certification levels:

- Senior Technician
- Master Technician
- Master Diagnostic Specialist

Always check which technicians can perform the recall remedy by logging on to <https://www.uotdealerreports.com>. It is the dealership's responsibility to select technicians with the above certification level or greater to perform this repair. Carefully review your resources, the technician skill level, and ability before assigning technicians to this repair. It is important to consider technician days off and vacation schedules to ensure there are properly trained technicians available to perform this repair at all times.

Remedy Procedures

Technical instructions for this warranty enhancement program can be found in L-SB-0028-14.

Parts Ordering Process

Due to potentially limited availability, the parts may have been placed on either Manual Allocation Control (MAC) or Dealer Ordering Solutions (DOS). As the parts inventory changes, the ordering process may change. Please check the Manual Allocation (MAC/DOS) report on the Lexus Customer Services website accessed via Dealer Daily for the most up-to-date parts ordering information.

As this is an extension of the warranty, most customers will only request reimbursement from Lexus for past replacements; dealers should not increase their stock of related repair parts. *Dealers are requested to only order parts for vehicles experiencing this condition only. DO NOT ORDER FOR STOCK.* As always, if a customer experiences the condition described, dealers should conduct appropriate diagnosis and order the applicable parts.

Refer to Warranty Policy Bulletin POL17-01 for additional parts ordering information.

Warranty Reimbursement Procedure

Refer to the Warranty Policy Bulletin (Bulletin No. POL17-01) for warranty claim processing instructions. *All parts replaced for this repair are subject to warranty part recovery.*

Customer Reimbursement

Reimbursement consideration instructions will be included in the owner letter.

Media Contacts

It is imperative that all media contacts (local and national) receive a consistent message. In this regard, all media contacts must be directed to Victor Vanov (469) 292-1318 in Toyota Corporate Communications. Please do not provide this number to customers. Please provide this contact only to media associates.

Customer Contacts

Customers who receive the owner letter may contact your dealership with questions regarding the letter and/or the Warranty Enhancement Program. Please welcome them to your dealership and answer any questions that they may have. A Q&A is provided to assure a consistent message is communicated.

Customers with additional questions or concerns are asked to please contact the Lexus Customer Assistance Center at 1-800-255-3987 Monday - Friday, 8:00 am to 9:00 pm, or Saturday 9:00 am to 6:00 pm Eastern Time.

Please review this entire package with your Service and Parts staff to familiarize them with the proper step-by-step procedures required to implement this Warranty Enhancement Program.

Frequently Asked Questions
Published February 15, 2017

Q1: What is the condition?

A1: Lexus has received reports of customer concerns regarding the illumination of the check engine light (Malfunction Indicator Light) due to moisture/water in the Air Injection Pumps and/or Air Switching Valves.

Although the Air Injection Pumps and Air Switching Valves are covered by Lexus' New Vehicle Limited Basic Warranty* for 4 years or 50,000 miles (whichever comes first) and by the California Emission Warranty* for 7 years or 70,000 miles (whichever comes first), we at Lexus care about the customers' ownership experience. Lexus is now extending the warranty coverage for repairs related to illumination of the check engine light (Malfunction Indicator Light) due to moisture/water in the Air Injection Pumps and/or Air Switching Valves.

Q1a: What are the Air Injection Pumps and Air Switching Valves and what do they do?

A1a: The Air Injection Pumps and Switching Valves are parts of the vehicle emissions system. The Air Injection system is designed to pump fresh air into the exhaust stream during a cold engine start; the fresh air helps speed the catalytic converter warm up time to reduce cold start emissions.

Q2: What is Lexus going to do?

A2: Lexus will send (in phases consistent with parts availability and repair capacity) starting in late February, 2017, an owner notification by first class mail advising owners of this Warranty Enhancement Program.

If the owner experiences the condition described above, they should contact their local authorized Lexus dealership for diagnosis. If the condition is verified, the dealer will replace the Air Injection Pump and Air Switching Valves at **NO CHARGE** to the customer.

Q3: Which and how many vehicles are covered by this Warranty Enhancement Program?

A3: There are approximately 48,000 Vehicles covered by this Warranty Enhancement Program.

Model Name	Model Year	Production Period
