Subject: Emission Noncompliance Recall H1I – Interim Notice - Certain 2018 Model Year Toyota C-HR - Vehicle Emission Control Information Label (Region)
Attachments: H0I Region Letter published 6.8.17.pdf; H1I Dealer Package Published 6.8.17.pdf

Toyota is launching an Emission Noncompliance Recall on certain 2018 model year Toyota C-HR vehicles.

Condition:

The Vehicle Emission Control Information (VECI) Labels on the involved vehicles were printed with an incorrect evaporative emissions system description. Due to this error, the involved vehicles do not comply with a federal regulation.

Remedy:

Toyota is currently preparing the corrected labels. When the remedy becomes available, any authorized Toyota dealer will install a correct VECI label at ***NO CHARGE*** to the vehicle owner.

Covered Vehicles:

There are approximately 5,200 vehicles covered by this Emission Noncompliance Recall. Approximately 500 of these vehicles were distributed in Puerto Rico.

Model Name	Model Year	Production Period
C-HR	2018	Early February 2017 – Early May 2017

New Vehicles in Dealership Inventory:

There are approximately 1,950 vehicles in new dealer inventory as of June 7, 2017.

Dealers ARE NOT to deliver any new vehicles in dealer inventory that are covered by this Emission Noncompliance Recall unless the corrected label has been applied.

Please reference the attachments for additional details.

Dealers will be notified on June 8, 2017 at approximately 3:30 pm Pacific time.
