### ODIS Service Diagnostic Content Version 2.35.1 Required to Perform TDI Touareg Gen 2.1 (23V6) Emissions Recall

Colleagues,

ODIS Service Diagnostic Content Version 2.35.1 is now available for immediate download. Beginning Monday Dec. 4, 2017 you will be unable to perform the TDI Touareg Gen 2.1 (23V6) Emissions Recall unless you're at this latest Diagnostic Content Version.

Thank you.
