

**Description of Revisions:** *This bulletin replaces the version dated 06/09/2017. Fig. 1 has been added.*

To order online, click on [this link](#), or log into [www.DTNAConnect.com](http://www.DTNAConnect.com), then under *DTNAConnect Resources* expand the list to select *Technical Publications*, as shown in [Fig. 1](#).

The screenshot displays the DTNAConnect user interface. On the left, a sidebar lists 'DTNACONNECT RESOURCES' with a sub-section 'Tools & Services' containing 'Request for Certification Label or OWI Technical Publications', which is highlighted by a red arrow. The main content area features 'MY APPLICATIONS' with icons for DDCSN, PartsPro 6, PSL, ServicePro, and SSI. On the right, there are sections for 'BOOKMARKS', 'ALERTS' (including 'AR July 2017 Shutdown'), 'WARRANTY LIT' (with 'Warranty Letters' and 'Other Warranty Documents'), and 'TECHNICAL LITERATURE' (with 'Workshop Manuals', 'Bulletins', and 'Recently Viewed'). The date '06/27/2017' is shown in the bottom left, and the ID 'f120399' is in the bottom right.
