Reason for block	

---

### Complaint:

The following message appears during vehicle operation: "Radar sensor system soiled, see Owner's Manual"

### Note:

The following code (DTC) is logged in the ABA control unit (A108):

- C10C6FA

### Cause:

The ABA control unit may have become blocked due to soiling or a foreign object

### Remedy:

In the guided tests for DTC - C10C6FA - in XENTRY do not yield a result.

Then perform complete initial startup of the ABA control unit.

### Note:

XENTRY DVD 09/2017 or newer must be installed for this.

All available addons must be installed.

<b>Symptoms</b>
