Subject: Stop Delivery Order – Revision of Population  
Upcoming Service Update Bulletin 17366

Models: 2018 Chevrolet Silverado HD Crew Cab  
2018 GMC Sierra HD Crew Cab

To: All General Motors Dealers

**STOP DELIVERY ORDER**

On September 14, 2017, GM ordered a stop delivery of certain 2018 model year Chevrolet Silverado HD Crew Cab and GMC Sierra HD Crew Cab vehicles. Some vehicles have been removed from this stop delivery order because they were repaired at the plant, or had been sold prior to the stop delivery and identified as such after systems refreshed.

The following eight VINs were repaired in-plant and have been removed from this stop delivery:

| BAC    | VIN               |
|--------|-------------------|
| 113973 | 1GC1CUEYXJF100901 |
| 112309 | 1GC1CVEY1JF100808 |
| 278522 | 1GC1KWEY0JF104132 |
| 112288 | 1GC1KWEY0JF104342 |
| 112554 | 1GC1KXEY4JF100946 |
| 278522 | 1GT12TEY7JF102716 |
| 278522 | 1GT12TEY7JF102943 |
| 278522 | 1GT12UEY0JF102076 |

The attached revised list provides the Vehicle Identification Number (VIN) of all involved vehicles in dealer new inventory. If your dealership's BAC is not listed, then none of the involved vehicles are currently assigned to you and no further action is required.

These 2018 model year Chevrolet Silverado HD Crew Cab and GMC Sierra HD Crew Cab vehicles may have just arrived or will be arriving shortly at their destination dealers.

**Until further instructions are received, involved vehicles that are in dealers' possession (new vehicle inventory) must be held and not delivered to customers, dealer-traded, released to auction, used for demonstration purposes, or any other dealer use. All GM Certified Used vehicles currently in the dealers' inventory within the Certified Pre-Owned Inventory System (CPOIS) will be de-certified.**

Instructions for releasing the involved vehicles from this stop delivery will be provided in the near future.
