Text

DESCRIPTION:

If squealing noise occurs from front brakes, then follow the instruction under Service.

* VST operation changed

*Brake grease part number added

VIDA= Vehicle Information and Diagnostics for Aftersales

SERVICE:

Replace front discs according to VIDA, if the car has 18" (VDN= RE03) front brake discs and built before chassis number 040328, the new brake discs have changed metal composition in order to reduce squealing noise.

Also replace front brake pads: P/n 31499906 US/CA-market.

For cars built from chassis number 040329- and if the car has 18" (VDN= RE03) front brake discs, replace front brake pads: P/n 31499906 US/CA-market.

For cars built before chassis number -135577 and if the car has 19" (VDN= RE04) front brake discs, replace front brake pads: P/n 31499906 US/CA-market.

Please use Volvo part# 31400019 on locations specified as per VIDA instructions for grease applied to caliper bracket mounting locations.

VEHICLE REPORT:

Only if the noise occurs on vehicles after 2016 week 40, also attach a sound file in to the report.
