Text

DESCRIPTION:

Volvo Car USA LLC and Volvo Car of Canada Ltd (Volvo) on behalf of Volvo Car Corporation, has decided to launch Service Action S89833 on certain model year 2017 S90 vehicles. Volvo has identified that the headliner may become loose at the rear window.

SERVICE:

The corrective action is to replace the rear headliner clip.

Follow attached installation instructions.

VEHICLE REPORT:

N/A

Removal

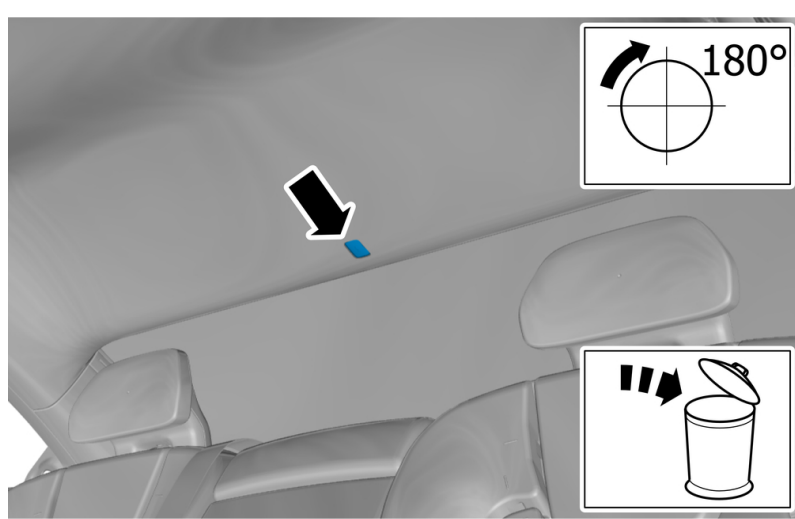

Color symbols

Note! This colour chart displays (in colour print and electronic version) the importance of the different colours used in the images of the method steps.

- 1 . Used for focused component, the component with which you will do something.
- 2 . Used as extra colors when you need to show or differentiate additional parts.
- 3 . Used for attachments that are to be removed/installed. May be screws, clips, connectors, etc.
- 4 . Used when the component is not fully removed from the vehicle but only hung to the side.
- 5 . Used for standard tools and special tools.
- 6 . Used as background color for vehicle components.

Remove the marked part.

Installation

Note! Only use the specified material.

Install the clip.
