2016-2017 MX-5 - REMOVE TOOL IN TRUNK AT PDI

Content

The handle in the trunk of the MX-5 is used to remove and install the vehicle tow hooks that are discarded at the port. The tool should also be discarded at PDI. PLEASE CHECK THE POUCH FOR A WHEEL LOCK KEY AND LUG NUTS BEFORE DISCARDING. THE WHEEL LOCK KEY AND LUG NUTS CAN BE PLACED IN THE INSTANT MOBILITY SYSTEM (IMS) BAG IN THE TRUNK.
