Service Alert No: 1346

Title: ISSUES WITH THE CURRENT VERSION OF IDS

If you experience issues with the current version of IDS, such as missing tools or modules not showing after completing a network test, be advised that we are aware of these issues and are working to resolve them. As a countermeasure, it is advised that you un-install IDS and re-install version 103.00 and "DO NOT UPDATE" until further notice.

We appologize for any inconvenience this may have caused you or your dealer.
