

2017 Mazda3 Sport Trim, 2017 Mazda6 Sport Trim, 2016-2017 CX-9 Sport Trim - HVAC Humidity Sensor Change

A new type of HVAC humidity sensor has been added to some models with Sport Trim. This new sensor is mounted on the inside of the windshield near the rear view mirror.

Note:

- The new sensor is used for HVAC system only on vehicles with Sport Trim.
- This new sensor is not used for rain sensing wipers or auto-light systems on vehicles with Sport Trim.
