Technical Bulletin 006/17

Date: 06 November 2017

Subject: Conventional warranty

Product: **MV Agusta 3 cylinders models Euro 4**

Dear Dealers / Importers,

As we anticipated during our last meetings, as per our continuous process of products improvement, we have carried out and completed an in-depth review of our models, achieving a high level of reliability that goes hand in hand with the quality and exclusivity that has always distinguished our Brand.

As a further demonstration of what above, and to concretely certify the achieved results, MV Agusta has decided to EXTEND the warranty period up to **36 MONTHS (starting from the date of first registration)** for all MV Agusta 3 cylinders Euro 4, invoiced **from November 2nd 2017** onwards.

To activate the warranty of registered vehicles, you can apply the usual procedures and the computer systems currently in use.

We remind you that the warranty will only work in accordance with the scheduled maintenance plan provided in the Maintenance Manual for each model and for what is indicated in the Warranty Booklet.

Thanks in advance for your cooperation, we invite you to contact us for any further clarification and/or detail.

Kind Regards

MV AGUSTA MOTOR S.p.A.
