

Front Cover Fins Not For 911 GT3 Touring Model

- Attention: **Service Managers/Service Technicians**
- Vehicle Type: **911 GT3 Touring - 991810 W/I032 or I039 (W/Touring Package)**
- Model Year: **As of 2018**
- Concern: The GT3 fin accessory kit (part number 99150445581) should NOT be installed on a 2018 911 GT3 (991) Touring during PDI.
- Information: 2018 911 GT3 (991) Touring units have a vehicle Option Code of I032 or I039. Item number (21) in PET 801-75 is not highlighted when a GT3 Touring VIN is input, indicating the Front cover Fin (99150445581) is NOT installed on these VINs.

These vehicles should not come with this kit included with the vehicle from the port. This is not an oversight. Do NOT order a replacement kit. These vehicles are NOT to have this kit installed.

Important Notice: Technical Bulletins issued by Porsche Cars North America, Inc. are intended only for use by professional automotive technicians who have attended Porsche service training courses. They are written to inform those technicians of conditions that may occur on some Porsche vehicles, or to provide information that could assist in the proper servicing of a vehicle. Porsche special tools may be necessary in order to perform certain operations identified in these bulletins. Use of tools and procedures other than those Porsche recommends in these bulletins may be detrimental to the safe operation of your vehicle, and may endanger the people working on it. Properly trained Porsche technicians have the equipment, tools, safety instructions, and know-how to do the job properly and safely. Part numbers listed in these bulletins are for reference only. The work procedures updated electronically in the Porsche PIWIS diagnostic and testing device take precedence and, in the event of a discrepancy, the work procedures in the PIWIS Tester are the ones that must be followed.
