

PRODUCT INFORMATION LETTER #653

Date: January 4, 2018

Subject: EX+ Air Disc Brake Extended Warranty for MY2019 Vehicles

Model: EX+L Air Disc Brake with MA761 Friction Material

Meritor is enhancing the EX+ air disc brake standard warranty for linehaul applications from 5/500/P & 1/Unl/L to 5/500/P&L for MY2019 vehicles.

The extended standard warranty for linehaul provides coverage to fleets that purchase and install EX+ ADB for truck and/or trailer with Meritor (MA) exclusive friction MA761 optimized for linehaul applications. Warranty for EX+ air disc brake boots, seals, bushings and pins will remain at 2/200/P, and pads at 1/100/P.

LINEHAUL	MODEL YEAR 2018		MODEL YEAR 2019	
DISC BRAKE	PARTS	LABOR	PARTS	LABOR
	5 years 500K miles	1 year Unlimited miles	5 years 500K miles	5 years 500K miles

The new warranty program leverages the reliable gear driven adjuster, Meritor exclusive friction material and double sealing technology to increase labor coverage to minimize maintenance costs and enhance total cost of ownership.

With more than 7 million units sold globally, the EX+ / ELSA air disc brake family has been proven in most severe applications providing ultimate stopping power, extended service life and caliper durability to reduce downtime.

The new Meritor warranty brochure (SP95155) for MY2019 vehicles will be available in January 2018.

For more information on Meritor's EX+ Linehaul Warranty, contact your DriveForce™ or Meritor representative. Additional product application and service information for Meritor EX+ air disc brake are available through Literature on Demand at www.meritor.com.
