RE: UXGN/UXFW Page 18

We have discovered a mistake on page 18 of our most recent Dealer Data Book update.

The Increments for the "1" – 12" Extra Height" started at \$330 and it should have started at \$350.

Please update your Dealer Data Book(s) accordingly by replacing page 18 with the price sheet dated 2/8/2018 attached to this Dealer Memo.

We apologize for any inconvenience.

Thank You
